Dear LawyerLetter.ca:

I am writing to express my gratitude to the lawyers of LawyerLetter.ca for helping me collect my outstanding bad debt. After months of not being paid, I thought it would be impossible to recover my receivable. To be honest, I did not think your letter of demand would do much by way of enforcing my rights, but I sure was wrong!

I was pleasantly surprised when I got all my money back within 4 days of your lawyer mailing the lawyer letter – and the cheque was hand delivered to my mailbox! I highly recommend your debt collection services. Please do not hesitate to share my wonderful experience with your clients.

Sincerely grateful,
